

Client Testimonials*

- Bill's command of the technical elements of the EHS field and its practical application enable him to be immediately responsive to his clients.
- Bill knows the latest case law and trends in industry and uses this information to help guide his clients to the best solution.
- Attorneys are stereotyped as conservative and cautionary. Bill frequently surprises clients with bold, challenging suggestions — pushing them toward creative, practical solutions that still maintain compliance.
- Always willing to look beyond the accepted answer to come up with new ways.
- Has demonstrated, on numerous occasions, the ability to "think outside of the box" through questioning and challenging assumptions.
- Has a good sense of when to push, when to pull and when to be still.
- Bill's patience, ability to communicate, think outside the box, and focus a team's efforts often leads to results that may not have been accomplished otherwise.
- He consistently responds to questions quickly and resolves issues in the best attainable timeframe.
- Always comes through with regulatory analysis/conclusion, no matter how complicated.
- Helps consultants, agencies and clients to think out-of-the-box to create different approaches to problem solving.
- Regulatory knowledge is first rate and Bill quickly acquires process knowledge when necessary.
- Bill provides a customer experience second to none.
